ACC 2nd ANNUAL CONFERENCE & EXHIBITION

Governance / Risk Management / Compliance / AML / Financial Crimes

About ACC 2nd Annual GRC & Financial Crimes Conference & Exhibition

Allied Compliance Consultants "ACC" is always committed to deliver world-class products and services to all our valued customers, believing in our leading role in spreading the awareness in the areas of Governance, Risk, Compliance, Anti-money Laundering, AML, Fraud, Financial Crimes & Data Security, And after the great success of ACC 1st ANNUAL CONFERENCE & EXHIBITION, ACC is delighted to invite you to the ACC 2nd ANNUAL CONFERENCE & EXHIBITION that will be held in Dubai - United Arab Emirates on November 1 - 2, 2010.

WHY YOU CAN NOT MISS THIS CONFERENCE:

ACC 2nd Annual GRC & Financial Crimes Conference & Exhibition will be held at the Habtoor Grand Beach Resort, Dubai, United Arab Emirates on November 1st & 2nd, 2010, and as always committed by ACC to once again provide an un-matched comprehensive, engaging & informative learning experience and unmatched networking opportunity for all delegates, speakers, sponsors and exhibitors.

The concept of the GRC Framework has developed rapidly in the recent years; Governance, Risk Management and Compliance are the core disciplines of GRC. Each of these disciplines consists of the four basic components of GRC: strategy, processes, technology and people. On the other hand: Financial Crimes including Money Laundering, Terrorism Financing & Fraud are on the rise and are causing financial institutions severe financial losses and serious reputational damages.

The two-days conference will provide a unique opportunity for Senior Management, Board of Directors, CEO's, COO's, Compliance, AML/CTF, Risk Management, Internal Audit and Anti-Fraud professionals to compare and benchmark their activities, and discuss related concerns with peers both locally and from across the world, gaining insight into information about current trends and their implications on Governance, Risk and Compliance well as fighting Financial Crimes. The Conference will have series of panel sessions and live dialogues from representatives from a number of MENA region jurisdictions, in addition to international experts & regulators addressing the most crucial regulatory developments and how to best comply with them.

Delegates will receive presentations from 20 international speakers, see case studies from across the world, get awarded for their achievements, have access to presentations, white papers and best practices, network and enjoy ACC's hospitality in one of the most beautiful 5 star resorts in UAE. This is an interactive event where ideas are exchanged and relationships are strengthened, offering extensive opportunities for networking and developing relationships with regulators, potential clients, vendors.

WHAT IS NEW IN THIS YEAR'S CONFERENCE:

- 3 Achievement Awards to the best Compliance, Risk Management & Anti-Fraud Officers
- Live Demo on Financial Crimes
- Live dialogue with Regulators
- Live dialogue with a Former Money Launderer Sponsored by ACC & World-Check
- Live dialogue on International Sanctions including the latest Iran Sanctions
